to the further steps of the present recruitment process. After the set hour of the written test starting the access to late candidates or any person is denied, except the Recruitment Committee members or the persons who will carry out written test surveillance. In this case the candidate is eliminated from the recruitment process.

ART. 10

The recruitment process is comprised of three steps:

1. checking of compliance of submitted applications. It is an eliminatory step. The applications will be verified by the recruitment committee if they were submitted according to the present regulation and to the posted announcement. The recruitment committee will check if the personal application, submitted by the candidates, meets the recruitment conditions for participation. After the application check is performed by the recruitment committee, only those applications who meet the conditions for participation will be selected to participate at the next step. The secretary of the recruitment committee will duly inform all the candidates on the results of this stage. The results will be sent to the e-mail addresses declared by the candidates in their CV's. Until or during the day of 11th of July 2025, the admitted candidates (short-list) will be informed by e-mail about the result and invited for an interview. Also, the short-list with the "accepted" candidates will be posted on the Interreg VI-A Romania-Bulgaria website and CBC RO Calarasi web-site until or during the same day, 11th of July 2025. The interview will be organised on the 22nd of July, 2025.
2. structured interview. It is an eliminatory step. Each voting member will give a score between 1 and 10 for each candidate. Only candidates who obtained at least 6 - calculated as an average of the scores given by each voting member of the Recruitment Committee- will be declared "Admitted" to participate at the next evaluation step. Each member of the Recruitment Committee can address questions to the candidates. Questions regarding the candidate's political opinion, Trade-Union activity, religion, ethnicity, gender, status and social or material origin should not be addressed. In case if the written test will be organized in the same day with the interview, the results of the second step will be announce by the chairperson and the secretary of the recruitment committee to all present candidates.
3. written test - a test questionnaire. Based on the evaluation grid (right answers), a score between 1 and 10 will be given for each test paper. It is an eliminatory step, too; only candidates who obtained at least 6 points at the written test - calculated as an average of the scores given by each voting

CROSS BORDER COOPERATION REGIONAL OFFICE CALARASI for the ROMANIA – BULGARIA BORDER

member of the Recruitment Committee - will be suitable to fill vacant position.

ART. 11

(1) Before carrying out the structured interview, the Recruitment Committee has the obligation to select personal applications based on the fulfilment of the conditions for participation at the recruitment process.

ART. 12

(1) The result of the selection process will be recorded in the report of the procedure, for each applications must be mentioned the statute of “accepted” or “rejected”.

(2) The secretary of the recruitment committee will duly inform by mail all the candidates about the result of this stage. Only those “accepted” will be invited at the specified date for the structured interview. Also, the short-list with the „accepted” candidates will be posted on the Interreg VI-A Romania-Bulgaria and CBC ROC web-sites.

ART. 13

(1) The third step is held, usually in the same day or no later than 5 working days from the date of the structured interview.

(2) If the structured interview will be held in a different day than the written test, the secretary of the recruitment committee will duly inform all the candidates, which were accepted to participate at the second step, on the results of the structured interview. The results will be sent to the e-mail addresses declared by the candidates in their CV's and they will be also be displayed at the CBC ROC headquarters, as well as posted on Programme and CBC ROC websites, namely <https://interregviarobg.eu/> and www.calarasicbc.ro.

(3) At the structured interview each member of the Recruitment Committee can address questions to the candidates (including from the bibliography of the concerned vacancy) in order to identify if the candidate motivations, abilities and attitudes are those needed to occupy the concerned vacancy.

(4) On the date established for the competition, the Recruitment Committee establishes topics and different versions for the questionnaires test. Each voting member should make one or more proposals for questions to be included in the test.

CROSS BORDER COOPERATION REGIONAL OFFICE CALARASI for the ROMANIA – BULGARIA BORDER

(5) The questionnaires are determined based on the established bibliography, regarding the ability to reflect analysis and synthesis of the candidates. The set questionnaire is identical in the same written test for all the candidates competing for the same position.

(6) If, due to a large number of candidates, the written test is organized into several series, test questionnaires will be changed every series, except for the situation in which they are organized simultaneously.

ART. 14

(1) Each voting member will assess all the personal applications submitted within the deadline.

(2) At the second step the voting members should give scores between 1 and 10. The final result is the average score of the scores given by voting members. Only candidates who obtained at least 6 points will be declared “Admitted” to participate at the third evaluation step.

ART. 15

(1) Duration of the written tests given by the Recruitment Committee in accordance with the degree of difficulty and complexity of topics; in general, 1 hour should be enough for finalizing the written test, but a different timeframe can be set up by the Recruitment Committee, without exceeding 3 hours.

(2) Before starting the written test, candidates will be called out in order to meet prior formalities, checking identity. Checking the identity of candidates will be made only on basis of identity card.

(3) During the written test, leaving the exam room will lead to candidate`s elimination from the competition, except the emergency situations in which they should be accompanied by one member of the Recruitment Committee or a person who provides supervision.

(4) After the set hour of the written test the access to late candidates or any person is denied, except the Recruitment Committee members or the persons who will carry out written test surveillance. In this case the candidate is eliminated from the recruitment process.

(5) In the exam room, during the written test, including formalities prior and subsequent to the finalisation of the written test, candidates are not allowed to

hold or use of any sources of consultation or mobile phones or other means of remote communication.

(6) Failure to comply with the provisions stipulated in paragraphs (5) attracts elimination of the candidate. The Recruitment Commission noting the breach of these provisions will eliminate the candidate from the exam room, will mention "cancelled" on the test paper and will record this fact (situation) in the minute.

(7) The test papers will be drafted, under penalty of cancellation, only on paper sets provided by CBC ROC, bearing its stamp on each page.

(8) When the pre-announced deadline for filling in the questionnaire elapsed, the candidate has the obligation to give to the Recruitment Commission the test paper.

(9) Voting members will assess the written tests submitted by the candidates and will give scores between 1 and 10. At the written test one point will be awarded by default. Only candidates who obtained at least 6 - calculated as an average of the scores given by each voting member of the Recruitment Committee - will be suitable to fill the vacant position.

ART. 16

At the end of the competition a minute will be drafted, containing the description of the evaluation steps and the results obtained by each candidate, signed by the Recruitment Committee members.

SECTION 5 - Scoring tests and results communication

ART. 17

- a. The results for second and third steps evaluation are based on the arithmetic average scores given by each voting member of the Recruitment Committee.
- b. The final result is based on the arithmetic average scores given for the second and third competition steps of the recruitment process.

ART. 18

The final results, in decreasing order, will be included in a summary in which the results are mentioned, for each evaluation step, to be used in case of possible appeals.
